IN AGONY WITH ECZEMA

"No tongue can tell how I suffered for five years with itching and bleeding eczema, until I was cured by the Cuticura Remedies, and I am so grateful I want the world to know, for what helped me will help others. My body and face were covered with sores. One day it would seem to be better, and then break out again with the most terrible pain and itching. I have been sick several times, but never in my life did I experience such awful suffering as with this eczema. I had made up my mind that death was near at hand, and I longed for that time when I would be at rest. I had tried many different doctors and medicines without success, and my mother brought me the Cuticura Remedies, insisting that I try them. I began to feel better after the first bath with Cuticura Soap, and one application of Cuticura Ointment.

"I continued with the Cuticura Soap and Cuticura Ointment, and have taken four bottles of Cuticura Resolvent, and consider myself well. This was nine years ago and I have had no return of the trouble since. Any person having any doubt about this wonderful cure by the Cuticura Remedies can write to my address. SEEK HOLY RELICS

OF EXPLORATION IN PALESTINE.

Solomon's Temple and Other Things of Interest to the Christian World Are Sought So Far Without Any Result.

King Solomon's temple, the ark of the covenant, Aaron's rod and the seven-branched golden candlestick which stood in the holy of holiesthese are just a few of the treasures for which a party of young Englishmen are now excavating in Palestine In the neighborhood of Jerusalem. The majority of experts are of the opinion that these treasures are not to be found where they are now being looked for, but the members of the expedition have other information upon which they place reliance.

This is a cryptogram, which is said to have been found in the Talmud by Finnish engineer and which is thought to give a clew to the place where the treasures of King Solomon are hidden. Exactly what this cryptogram is has naturally been kept secret by the Finnish engineer, but he has convinced his supporters in the enterprise of its reliability, and already a good deal of work has been done toward a practical demonstration of accuracy or inaccuracy.

Perhaps even more interesting than the search for King Solomon's treasures is the composition of the party engaged in it. At the head of syndicate is Clarence Wilson, brother-in-law of Lady Sarah Wilson, and a very wealthy man. Then there is Robert Vivian Duff, commonly known as Robin, a lieutenant in the Grenadier Guards and husband of Lady Juliet Duff, perhaps the tallest, as she is certainly one of the most beautiful women in London society. With these is associated Hon. Cyril Ward, a brother of the earl of Dudley and of Hon. John Ward, who married Miss Jean Reid, daughter of the American ambassador to England. Cyril Ward, like Wilson and Duff, is a man of means, having married Baroness de Brienen, a great Dutch heiress. Other members of the syndicate pay-before-you-leave boarding are Capt. Montague B. Parker of the Grenadier Guards, a brother of the earl of Morley; and two other guardsmen, Hon. Mr. Walsh and Mr. Foley.

Three months ago, the necessary permits having been obtained from the Turkish government, the party sailed for Palestine in a yacht specially purchased for the purpose by Mr. Wilson, and work was shortly afterward started in the neighborhood of the Pool of Siloam. Sixty men were engaged as laborers, and the excavations went merrily on. They are still going on, but, perhaps less merrily, for up to the present nothing has been discovered to reward their la-One by one the heads of the expedition are returning to England, and Clarence Wilson got back home a few days ago, some of the others having preceded him. Capt. Parker, Mr. Walsh and Mr. Foley still remain in Palestine, and it is supposed that the party have not yet given up hope of discovering the treasures they set out to seek.

Value of Economy.

No matter how economical a young man is, his endeavors to save are wasted if he has a careless wife. He might as well be doomed to spend his strength and life in an attempt to catch water in a sieve. The effort would be scarcely less certainly vain. Habits of economy, the way to turn everything in the household affairs to the pest account-these are among the things which every mother should teach her daughters

BURDENS LIFTED FROM BAD BACKS

Weary is the back that bears the burden of kidney ills. There's no rest nor peace for the man or woman who has a bad back. The distress begins in early morning. You feel lame and not refreshed. It's hard to get out of bed. It hurts to stoop to tie your shoes. All day the ache keeps up. Any sudden movement sends sharp twinges through the back. It is torture to stoop or straighten. At night the sufferer retires to toss and twist and groan. Backache is kidney ache-a throbbing, dull aching in the kidneys. Plasters or liniments won't do. You must get at the cause, inside.

Mrs. L. L. Babers, 1615 Terry St., Houston, Texas, says: "I hold a very high opinion of Doan's Kid-ney Pills and with good reason, for three years ago they cured me of kidney trouble that had clung to me for several years. There was me for several years. There was a dropsical swelling of my feet and a dropsical swelling of my feet and limbs in addition to other symptoms of kidney complaint, and although I used various remedies, I was not helped until I procured Doan's Kidney Pills. Two boxes of this preparation cured me and I have never had the slightest return of my trouble. I have recommended Doan's Kidney Pills to many people who have questioned me about them, and I know of several cases in which they have done the same good work."
